Szanowni Państwo,

Witam w Lublinie organizatorów, zawodników i gości przybyłych na 4. Mistrzostwa Świata Niesłyszących w Lekkoatletyce. Jesteśmy świadkami wyjątkowego wydarzenia, w którym bierze udział ponad 500 uczestników z 40 państw z całego świata. Powierzenie naszemu Miastu organizacji tak prestiżowej imprezy to ogromny zaszczyt, ale też wielkie wyzwanie. Dziękuję Polskiemu Związkowi Sportu Niesłyszących za trud włożony w przygotowanie tego wydarzenia. Z podziwem patrzę na imponującą reprezentację lekkoatletów i jestem dumny, że właśnie na lubelskim stadionie, sięgną po laury zwycięstwa zdobywając medale i ustanawiając nowe rekordy.

Lekkoatletyka zajmuje w naszym Mieście szczególne miejsce. Liczę, że również Państwu udzieli się ta wyjątkowa atmosfera, którą odczuwają trenujący na naszym stadionie sportowcy. Jestem przekonany, że zarówno zawodnicy, jak i sympatycy „królowej sportu” przeżyją w Lublinie wspaniałe

chwile, które na długo pozostaną w ich pamięci. Po dniach pełnych sportowych wrażeń, zapraszam do poznawania Lublina, który o tej porze roku prezentuje się wyjątkowo pięknie i oferuje bogaty program kulturalny.

Zawodnikom życzę doskonałej formy i rywalizacji na najwyższym poziomie, sztabom szkoleniowym ogromnej satysfakcji z osiągniętych przez ich podopiecznych wyników, a publiczności wielu emocji i pięknych wspomnień. Do zobaczenia na trybunach!

Krzysztof Żuk
Prezydent Miasta Lublin

Szanowni Państwo,

Z prawdziwą przyjemnością witam uczestników odbywających się w Lublinie 4. Mistrzostw Świata Niesłyszących w Lekkoatletyce. Jesteśmy świadkami wielkiego wydarzenia sportowego, w którym bierze udział ponad 500 uczestników pochodzących z 40 państw. To znakomita okazja, aby jej główni bohaterowie, czyli sportowcy, poznali Lubelszczyznę i jej także bogate walory rekreacyjne i turystyczne.

Gratuluje Gospodarzowi Mistrzostw – Polskiemu Związkowi Sportu Niesłyszących z siedzibą w Lublinie, który podjął się wyzwania, jakim jest organizacja tak dużej imprezy.

Zdaję sobie sprawę, że sport osób niepełnosprawnych to nie tylko rywalizacja, ale również przewycięzanie własnych słabości. To wyzwanie niosące ze sobą wartości o charakterze uniwersalnym – poznawanie siebie, odkrywanie swoich możliwości i talentów, siły wewnętrznej, ćwiczenie hartu ducha, ale też pokonywanie własnych ograniczeń.

Jestem przekonany, że podczas Mistrzostw nie zabraknie prawdziwych emocji oraz rywalizacji na najwyższym poziomie. Wszystkich biorących udział w sportowych zmaganiach serdecznie pozdrawiam, życząc

młodzieńczego entuzjazmu i niezłomnego ducha walki.

Wierzę, że Państwa sportowa przygoda będzie obfitowała w wiele zwycięstw, zarówno na stadionie, jak i w życiu osobistym, przynosząc satysfakcję i spełnienie. Liczę również, że zainspirujecie Państwo wiele osób do odkrywania radości, jaką daje rywalizacja sportowa i podejmowanie aktywności fizycznej.

Ze sportowym pozdrowieniem

Jarosław Stawiarski

Marszałek Województwa Lubelskiego

**Dear
athletes,
officials
and
friends,**

The 4th World Deaf Athletics Championships is beginning in Lublin, Poland. I send my warmest greetings to everyone at this wonderful celebration of sport, youth and friendship.

Poland is hosting the World Deaf Athletics Championships for the first time. We are genuinely delighted to welcome to Poland the world's strongest athletes, best coaches, and all members of the international deaf athletics community.

Athletics is deservedly called the queen of sports. It dates back to almost the very dawn of civilisation, came to embody the ideals of harmony and fair and captivating competition, and today continues to inspire people to play sport. Athletics unites countries and continents and builds trust between peoples.

Modern day athletics cover dozens of different events that make up a considerable part of the Olympics programme. New records are being set all the time at competitions of this sort, and we hope to see outstanding new achievements here in Lublin too.

We wish all the athletes success. Of course, we will be supporting all Deaf athletes. I am sure that the 4th World Deaf Athletics Championships will reveal new talents, give us vivid new emotions, and set new records.

I want to thank all of the organisers, especially here in Lublin, and I want to thank the city's mayor, and Polish Deaf Sports Association for their active involvement in the preparations. This was a big, responsible job and the work has been carried out to the highest standards.

I congratulate everyone on the start of the Championships and wish that you may show us the very best of your abilities.

Good luck.

Sincerely yours,

Gustavo PERAZZOLO
ICSD Interim President

Welcome

Dear athletes to the 4th World Deaf Athletics Championships in the host country Poland.

The worldwide exceptional situation, which has lasted for more than 1 1/2 years, has changed our everyday life in sports, so many sporting events had to be cancelled. I am all the more pleased that Poland was able to organize the 4th World Deaf Ath-

letics Championships (WDAC) in such a short time. Despite the short preparation time.

Poland has organized very well, like the last sporting events. Poland was very flexible all the time and always adapted to the given Corona guidelines. Thank you very much that we are allowed to organize the 4th WDAC of the ICSD in Poland! This WDAC will be a different, but also a very special WDAC, which will remain in our memories.

Above all, I am looking forward to feeling the pent-up competitive spirit with you in Poland. I am curious to see what exciting competitions and possible records are waiting for us.

Let the fair and sporting competitions begin!

I am looking forward to you and Your

Lublin Voivodeship

Lublin Voivodeship, or Lublin Province (in Polish, *województwo lubelskie*), is a voivodeship, or province, located in southeastern Poland.

It was created on January 1, 1999, out of the former Lublin, Chełm, Zamość, Biała Podlaska and (partially) Tarnobrzeg and Siedlce and Voivodeships, pursuant to Polish local government reforms adopted in 1998.

The province is named after its largest city and regional capital, Lublin, and its territory is made of four historical lands: the western part of the voivodeship, with Lublin itself, belongs to Lesser Poland, the eastern part of Lublin Area belongs to Red Ruthenia, and the northeast belongs to Polesie and Podlaskie. Lublin Voivodeship borders Subcarpathian Voivodeship to the south, Świętokrzyskie Voivodeship to the south-

-west, Masovian Voivodeship to the west and north, Podlaskie Voivodeship along a short boundary to the north, Belarus (Brest Region) and Ukraine (Lviv Oblast and Volyn Oblasts) to the east. The province's population as of 2006 was 2,175,251. It covers an area of 25,155 square kilometres (9,712 sq mi). ●

Źródło: Wikipedia

Lublin

Lublin is the ninth largest city in Poland and the second-largest city of historical Lesser Poland. It is the capital and the center of Lublin Voivodeship (Lublin Province)

with a population of 339,784 (December 2019). Lublin is the largest Polish city east of the Vistula River and is about 170 km (106 mi) to the southeast of Warsaw by road. One of the events that greatly contributed to the city's development was the Polish-Lithuanian Union of Krewo in 1385. Lublin thrived as a centre of trade and commerce due to its strategic location on the route between Vilnius and Kraków; the inhabitants had the privilege of free trade in the Grand Duchy of Lithuania. The Lublin Parliament session of 1569 led to the creation of a real union between the Crown of the Kingdom of Poland and the Grand Duchy of Lithuania, thus creating the Polish-Lithuanian Commonwealth. Lublin witnessed the early stages of Reformation in the 16th century. A Calvinist congregation was founded and groups of radical Arians appeared in the city,

making it an important global centre of Arianism. The city is viewed as an attractive location for foreign investment, and the analytical Financial Times Group has found Lublin to be one of the best cities for business in Poland. The Foreign Direct Investment ranking placed Lublin second among larger Polish cities in the cost-effectiveness category. Lublin is noted for its green spaces and a high standard of living;[8] the city has been selected as the 2023 European Youth Capital. Its historical Old Town is one of Poland's national monuments tracked by the National Heritage Board of Poland. ●
